

COLCHESTER UNITED 2022/23 TICKETS

WE ARE **UNITED**

ROBBIE COWLING

I'm very pleased to introduce the 2022/23 ticket brochure which I hope is met with everyone's approval. I also hope we can all get behind Wayne and the team this forthcoming season.

We have tried our hardest to keep prices down and we appreciate that everyone's purse strings are getting stretched in all directions. I'm expecting us to be involved in a very competitive League Two campaign this season and I truly believe that we can start this campaign with the positive form and results that we finished the last one.

Those of you that had season tickets when the 2019/20 season was curtailed will, for a limited time, be able to purchase the same seat you held at that time. We have been busy re-writing the ticketing system which will be fully responsive, (very mobile friendly), and is being launched at the start of July.

I appreciate that is very close to the start of the new campaign which is starting a week earlier than normal due to the World Cup schedule. For the new system, we have introduced a new monthly payment scheme to replace the annual subscriptions and we have also added a new dashboard to the website with some new features that will provide greater control and allow you to do more to manage your own tickets.

**Up the U's,
Robbie**

THIS YEAR'S HEADLINES

The new 2022/23 season is fast approaching, and we have made a number of changes to the way you can purchase a ticket to attend matches here at the JobServe Community Stadium.

Things have been disrupted for the past three seasons, but we are now back to being able to offer supporters the chance to secure their favourite seat in the stadium for the upcoming campaign.

There is also a return to monthly payments for your Season Ticket and we are reverting back to the very popular Match Credits for those wanting to save compared to our still competitive individual Match Ticket prices.

We hope we've covered everything in this Ticket Brochure, but feel free to get in touch with the Ticket Office with any questions at ticketing@colchesterunited.net or on 01206 755161.

TICKET SUBSTITUTE

Can't make a game? Go online and name a substitute for that fixture.

MATCH CREDITS

The popular way to buy multiple tickets is back.

PRIVILEGE CARD FUNDS

Funds can be used towards Season Ticket and Match Ticket purchases.

NEW TICKETING WEBSITE

Fully responsive new site, adapting to specific devices being used.

SEASON TICKETS

Wayne Brown and the U's will be looking to build on the positive finish to last season, and compete at the top end of the League Two table in 2022/23.

They can only do that with your support throughout the season, and we want you all to be United with us on the journey. Whilst the cost of living is going up, getting a season ticket will save you money, and we've also brought back the option of paying in monthly instalments.

SEASON TICKETS

For the first time since 2018/19 (the last unaffected season before COVID-19 disruption kicked in), you will be able to select your individual seat in the JobServe Community Stadium. And as always, buying a Season Ticket will be the cheapest way to secure your place at every home league match across the entire season.

MONTHLY PAYMENTS

Not only is the Season Ticket the cheapest way of supporting the U's across the campaign, there is now the option of paying monthly. This option will remain open to supporters until there are twelve home league matches remaining, so even if you can't get to many matches in the first half of season, you can still jump on board the monthly payment scheme later on.

EARLY BIRD OFFER

Purchase your 2022/23 Season Ticket by **July 17th** to get the Early Bird discount.

MATCH CREDITS

Colchester United have always tried to provide innovative and flexible ways for fans to watch their favourite team in action at the best possible price.

From our progressive pricing to a wide range of benefits around a Season Ticket, supporters have been spoilt for choice when it comes to booking their spot for U's matches.

The 2022/23 season will once again see Match Credits as an option when purchasing tickets, providing another way to watch the boys in action.

WHAT ARE MATCH CREDITS?

Match Credits are available to purchase via www.colutickets.com in multiples of five games (5, 10 and 25). These credits are then kept on your account until such time that you decide to redeem them against a game you'd like to attend.

HOW MUCH WILL THEY COST?

Season Tickets will always represent the best value for attending games and prices can be found elsewhere in this brochure.

However, the more credits you buy in one transaction, the cheaper they will be and Match Credits will represent a significant saving on matchday prices. A full price table can be found on the club website. A credit is valid for one seat in a Football League fixture.

HOW DO I REDEEM MY CREDITS?

Credits can be redeemed via www.colutickets.com and can be used against the game(s) of your choice when you're ready to buy. Games go on sale online at colutickets.com over five weeks before the game is scheduled to be played.

DO THEY GUARANTEE ME MY SEAT?

No – you will only be able to select your seat when you redeem your credit(s) against a particular match. However, you can redeem your credits at a time that suits you and for as many games as you wish at any given time.

I WANT TO BRING A FRIEND WITH MY CREDITS – CAN I?

Yes! Should you wish to use multiple credits against one fixture, then you are able to do so. Simply select the seats you would like to buy and redeem the relevant number of credits.

WHAT IF I WANT TO BUY MORE CREDITS?

Credits are always available to purchase in multiples of five games. Simply follow the instructions to add additional credits to your account.

HOW LONG DO THEY LAST?

Match Credits are valid for twelve months from the point that the first credit is redeemed.

More details regarding Match Credits can be found on the club website, www.cu-fc.com under the Tickets section.

MATCH TICKETS

In 2022/23, we will continue to offer Early Bird pricing for matchdays, meaning the earlier you commit to come and watch the U's, the bigger the savings you will make.

Season Tickets and Monthly Payments provide two great ways to get fantastic value for your seat but, if you're only able to commit match to match, there are still significant savings to be made, including the Match Credits offer.

If you want to just buy individual matches at different points during the season, you can do that too. Tickets will be available to purchase online over five weeks in advance to get the best Early Bird rate.

There are a series of increases up to matchday but the earlier you buy, the more you'll save – up to 30%!
